Dear Colleagues, Ladies, and Gentlemen,

we are pleased to invite you to the 61st Annual Meeting of the German Society for Plastic and Reconstructive Surgery (DGPW e.V.) this year, to be held on November 15th and 16th at the new Medical University Lausitz – Carl Thiem in Cottbus. For the first time, we are organizing our annual meeting together with our partners from the Nepalese Society for Plastic and Reconstructive Surgery. Our clinic partnership between the Nepal Cleft and Burn Center in Kathmandu and the Medical University Lausitz – Carl Thiem was established in 2020 as part of the clinic partnership program of the German Society for International Cooperation (GIZ). At our 1st Joint Congress of the Nepalese and the German Society for Plastic and Reconstructive Surgery, we will focus on international medical partnerships and humanitarian projects. We look forward to sharing an interesting and diverse program with you on November 15th and 16th, 2024.
